Soldiers and squirrel hunters CHEESE-lst "NY State dairies his establishment from the Post Office receive their attention. unnecessary for us to speak of its merits. | comfort of needy soldiers. We simply advise any one who thinks of buying a machine to give Mr. Corbin a at the residence of Mrs. Harmon. Pigs, WHEAT—Ohio White. can do, and how they do it.

The crops of Hay in this country light, probably one third less than that of last year. The quality is excellent, the fine weather of the last few weeks affording a fine opportunity for cutting it .-Wheat is also rather below the ordinary yield, generally, though there are some fields which will yield heavily. Oats are fully up to the average. Harvesting is nearly finished, though some yet remains

Corn has come forward rapidly within the last two weeks, and promises a full crop. Potatoes are also doing well. The early potatoes brought into market, are large and of fine quality.

### A New Disease.

der date of July 30th, just after the vol-unteers who went after Morgan had re-the observations of two centuries it is found that heavy rains and of long con-

hat"-just for a balance you know. Sick. weather likely to follow. ness in my family prevented me from going; so I saved my own bacon."

Church Building. The walls of the new Episcopal Church July 4th. are rising steadily, and have nearly Private donations since reached to the top of the windows. It is being very substantially built and will be

an ornament to the town. The subscription for building a new Presbyterian Church has reached about ten thousand dollars, and the committee who have the matter in charge are looking for a suitable location, the lot occupied by the old church being too small

for the new one.

The Cumberland Presbyterians have purchased a lot nearly opposite the High School building, and have raised a subscription nearly large enough to complete their building.
